He who drinks beer sleeps well.

He who sleeps well cannot sin.

He who does not sin goes to heaven.

Amen

He was a wise man who invented beer.

(Platon)

If something bad happens, you drink in an attempt to forget,
if something good happens you drink
in order to celebrate, and if nothing happens
you drink to make something happen.

(Charles Bukowski)

After a good dinner one can forgive
anybody. Even one's own relations.

(Oscar Wilde)

Beer is proof that God loves us
and wants us to be happy.
